Parent Information Evening Feedback

(19-21st November 2019.)

On Tuesday 19th and Thursday 21st November 2019, Sunnyside Primary held our Parent's evenings. During this event we sought feedback on the evening to seek to improve our current arrangements. We received 45 responses.

When asked to rate us, you gave us an average of 4.93 out of 5.

The comments provided have been put into a word cloud, larger words represent those most frequently used, and smaller words are those less frequently used.

It is fantastic to see that you find these sessions informative and use positive language such as friendly, great and good when commenting on our current parent evening format.

Thank you for this feedback, we shall consider it as we move forward and make any changes.
