

What happens at the club?

Everyone is welcomed

You and your children choose an activity

You complete the activities of your choice

We come together as a community to eat a fresh meal

We all help to tidy up

Home time

Our Family Fun Club has the family at the centre of everything we do. We aim to promote family learning, healthy eating and develop a sense of community.

We are proud to have a planning group of families, staff and community partners working together to promote our aims.

Our Family Fun Clubs are planned with families, for families. We welcome feedback and your suggestions.

Family Fun Club

Fun, Community, Food, Learning

What are the different activities?

As food and healthy eating is a core value a healthy, low cost meal is prepared each session with parents and pupils.

Other activities are planned in consultation with the families and change regularly, however some of our past activities have include:

- Family hall games
- Board games
- Family reading
- Design challenges & construction
- Arts and crafts
- First aid
- Coding
- Outdoor games and activities

What is Family Learning?

Family learning simply means learning together. We want to encourage our children to develop their understanding in partnership with the adults in their lives.

Adult Learning opportunities

From time to time we may invite other partners to deliver and lead adult learning sessions; this has included ICT, target setting and finances.

Those parents who help to prepare the meals for 6 weeks could be able to earn accreditation for their cooking skills.

Is it for me?

Everyone is welcome to attend the Family Fun Club sessions from Nursery to P7. Many of our families have pre-school and older siblings.

If you have any questions please do not hesitate to contact the school directly -
