You will have received a message last week with a small evaluation to complete regarding the learning published. We would be grateful if you could take a few minutes to give us your feedback.

Website

We are so excited to let you know we have been busy giving the nursery section of the school website a total revamp. The nursery team have left a welcome message for you all. We hope you like the new look and any feedback would be welcome.

We would like to take this opportunity to congratulate all the children who have graduated from nursery and hope you liked your certificate. We wish you all the best moving forward in your learning to journey to Primary 1.
