

Key Priorities 2023 - 24

UN Convention on the Rights of the Child

2.2

Curriculum

Through a cohesive approach to planning, assessment and delivery of SEAL based numeracy lessons, learners will build on their prior knowledge in a progressive manner and be secure in the ability to manipulate numbers effectively from an early age.

2.3

Learning, Teaching & Assessment

We will improve approaches to assessment to develop staff confidence and skills in identifying achievement of a level. We will use evidence which is relevant, reliable and allows for learner progression.

3.2

Leadership of Change

We will develop, promote and sustain an aspirational vision, values and aims which underpins our continuous improvement.

1.1 Self-Evaluation for Self-Improvement
