Friday 1 June 2012

Note from the Head Teacher :

Dear Parent/Carer,

Some updates for you.....

Jubilee Jamboree

The children have had a super day of celebrations and the sunshine tried to stay with us. We are delighted to have been able to help " Cash for Kids " and would like to thank them for all of their assistance in helping us have a successful day. We will let you know the total monies raised next week. Thank you again for your generosity.

Homework

I am delighted to say that the children have been so excited about our new Homework and have gone to " town " with model making, family trees, beanstalks to name but a few.

These terrific homework projects are on display in the dining hall and we hope they will inspire the rest of the children and their families to really get involved in family homework tasks.

Walk to School Challenge

Thank you so much for encouraging the children in our walk to school challenge. Today we celebrated their success at our Assembly.

Assemblies

Our assemblies are proving to be very busy just now as more and more children wish to share their wider achievements with us and we are delighted to say they are inspiring other children to become involved in local clubs and activities as well as being positive contributors in their own families. Well done to all of them.

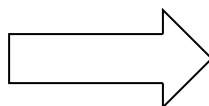

The New School Improvement Plan 2012-2015

Thank you so much for your comments on our latest survey asking about what you think we do well and what you feel you would like us to consider improving.

We are already busy working on our new school improvement plan. Every school has one and at the end of 3 years we look at what we set out to do and hopefully we will have been successful.

When our new plan has made up we will send out copies to any parent/carers who would like to receive one.

In the meantime please have a look at some of the comments and suggestions so far. On the other side of this page.

Some of the things you think we do well !

Nursery staff are warm and welcoming.

My child likes the new homework.

The out of school trips are super especially the swimming.

I like the school text system.

We love the assemblies especially star awards and top table.

The office staff are very helpful and welcoming.

Transition to Primary 1 is by far the best ever!

Like the new homework, we have more time to do it.

What could be done differently?

Very good teachers who encourage the children in every aspect!

Activity kits on all day Friday?

Evening classes for children to learn more English?

Could we have a school savings club to let the children ?save? their pocket money?

Can the playground be resurfaced?

Behaviour is very good in the school but some children still spoil it for others. Can you do more to fix this?

Please note in bold italics any changes and/or cancellations.

Please remember you can always see what we are up to on the school website at

<http://densroad.ea.dundeeccity.sch.uk/>

Click on the 'Contact' tab to contact the school directly with your suggestions, complaints and hopefully compliments. It is live for you now. Don't forget you can come into the school at anytime to share your views and discuss concerns and you can **email the school at - densroad.primary@dundeeccity.gov.uk**
