Dear Parent/Carer

We are already almost three months into our school year and there is so many great things going on in our school. We are also about to enter probably one of the busiest times of the school year.

This newsletter will give an update on some of the work that has been going and will also give you important upcoming dates.

As always I would like to thank you for your continued support in working with us to make us the best we can be.

Head Teacher

INSET days 2 and 3

The school will be closed to pupils on Thursday 14th and Friday 15th of November for in-service training.

I will post on twitter some of the activities staff will be doing over these two days

Football Fun Day

We had a great fundraising day on the last day of last term. We raised over £600 thanks to your generosity. Our young people had a great day and Dundee United Captain, Sean Dillon, made an appearance which helped make the day even more special.

Foodbank

I can not thank you enough for your kind donations of food for our Harvest Celebration. This food was donated to a local foodbank who were overwhelmed with what they received. We managed to feed 19 people for 3 days.

Thank you!
