Dear Parent./Carer

This is the time of year we would usually have our second parent teacher meeting. This year we have decided to try something different instead.

We will be issuing the full written report in early May and then offering a follow up appointment to those parent/cares who wish one.

A change of approach has been adopted as over the last few years attendance at the second parent evening has dwindled quite significantly.

As always we operate an open door policy and you are welcome to make appointment with the class teacher to discuss the progress of your child at any point.

We will go with this new approach this session and feedback to you if it was successful or not.

As always thank you for your continued support.

Yours sincerely

G Munro
