Dear Parent/Carer,

One of our grandparents, well known local entertainer Mr Mudie (aka Mr Mudini), has approached me offering to put on a Magic Show in school to raise funds for school and for the Fairybox charity. This charity exists to help support ill children in hospital, their families and the nursing and medical staff involved in their care. Although this is a national charity, all money we raise will go directly towards helping children at our own Ninewells Hospital. In a lovely gesture, Mr Mudie will perform for free, and all monies raised will be equally split between school and Fairybox.

Our Magic Show will take place on **Wednesday, 9th November** in the afternoon, and the cost will be **£2 per pupil**. Please send this into school before Wednesday. Please take a look at the Fairybox website on <http://www.fairybox.org> to get an idea of what this very worthwhile charity does.

Yours sincerely,

A. Macgregor
