## All Parents/Carers

6<sup>th</sup> November 2011

Dear Parent / Carer,

I have been asked by the Education Department to let you know about upcoming information events on the proposed move to a standardised 33 period week in secondary schools (you may have read in the press about this). Although of most immediate relevance to P7 parents/carers, those with younger children may well be interested, too. The events will be held in each secondary school as follows:

<b>School</b>	<b>Meeting Date (2011)</b>
Braeview	22 November
Baldrigon	15 November
Craigie	17 November
Grove	14 November
Harris	22 November
Morgan	24 November
Menzieshill	23 November
St John's	21 November
<b>St Paul's</b>	<b>16 November</b>

Each Meeting will have a 7.00pm start but should finish by no later than 8.30pm.

Parents/Carers are invited to come along to hear why this proposal is being made and to air their opinions. Although St Paul's is our associated secondary, there would be no problem with you going to any of the other events if the date suited better.

Yours sincerely,

A. Macgregor  
Head Teacher
