20th November 2013

Dear Parent/Carer,

Parent Council Meeting 7/11/13

Present: Emma Greasley, Cheryl Doogan, Louise Baird, Tracey Mitchell, Bruce Macgregor (School)

School Merge

Kids are settling in very well and are behaving great, some parents believe there is a lack of intimacy within the school playground, we would like to reassure Parents/Carers that we will look into this, but can say that the kids are very happy within the school.

We have also had talks about lunch time with regards to the concerns Parents/Carers have about the kids' eating habits (ie fussy eaters and in a rush to get out to play) we are looking into more lunch monitors, a trial run of P1s sitting and eating together and have also invited Tayside Contracts to our next meeting regarding the school meals and portion control, we will inform you on how this goes. We will also get a price list sent out for tuck shop.

Inspection

Starts 18th November. Parents urged to complete questionnaires and send back. School aims to show itself off in a good light. Parents are positive about the school.
