## Noah's Ark

*How many times have you seen a rainbow?*

*When was the last time you saw a rainbow?*

*What does the bible say about the rainbow?*

*God had Noah build an ark and then sent a flood. When the rain ended, one of the first things Noah did when he came off the boat, was to build an altar. God made a special promise to Noah. He promised that he would never again destroy the living creatures of the earth by a flood. God then placed a rainbow in the sky that would be a reminder of his promise.*

*Whenever we see a rainbow today, it should remind us of God's goodness and love towards us and all people.*

**Draw a picture of a rainbow and write a promise that you will keep.**

*It could be...*

*being helpful*

*being kind to others*

*looking out for your friends.*

A large, empty rounded rectangular box with a blue border, intended for the student to draw a rainbow and write a promise.
