

Name: \_\_\_\_\_

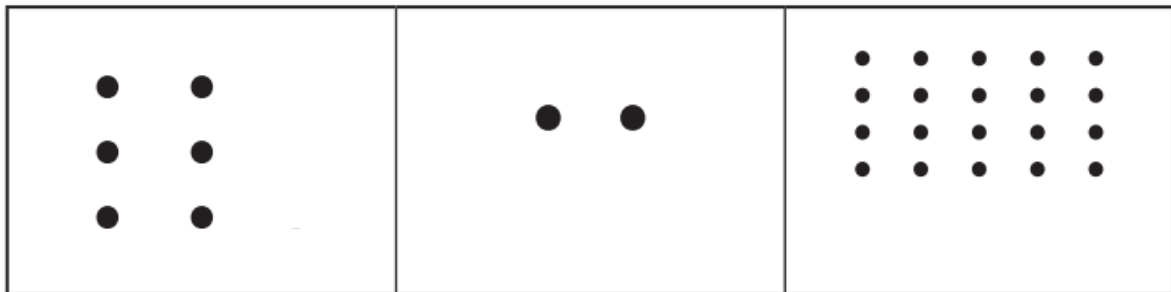

Thursday\_Maths\_Multiplication

Using Arrays

Write a multiplication sentence for each array.

$3 \times 3 = 9$ or $3 \times 3 = 9$		
--------------------------------------	--	--

--	--	--

Create your own arrays for these sentences and complete.

$2 \times 6 = \underline{\hspace{2cm}}$ or $\underline{\hspace{1cm}} \times \underline{\hspace{1cm}} = \underline{\hspace{2cm}}$	$4 \times 5 = \underline{\hspace{2cm}}$ or $\underline{\hspace{1cm}} \times \underline{\hspace{1cm}} = \underline{\hspace{2cm}}$	$10 \times 2 = \underline{\hspace{2cm}}$ or $\underline{\hspace{1cm}} \times \underline{\hspace{1cm}} = \underline{\hspace{2cm}}$
--	--	---
