

Welcome to St Mary's Primary School

St Mary's is a truly unique school with a long history of successfully providing education for the community of Lochee.

This is our main playground and pitch.

We have lots of outdoor spaces where you will learn and play.

Here are our Primary 1 Classrooms!

You will learn lots
in each room
with your class

We play,
listen and
talk in
Primary 1 to
help us
learn.

This is our Gym Hall.

We wear shorts and t-shirts when we visit the gym hall.

We also have hoodies for when we learn outside. The hoodies will be provided for you.
