

Primary 5 Virtual Class trip 2020

Good morning!

This week is a little different! Each day has different fun tasks based around Harry Potter! There are templates online of tasks which you can print or you can write your ideas on paper - you don't have to use the version I have attached! (You don't have to stick to the days that I have put - there is lots for Friday!!)

At the end of the week there are lots of videos of things too!

I will also be uploading our last few chapters of the reading too!

I hope you enjoy!
