

# P1-4 Class Newsletter

6<sup>th</sup> November 2020

## Term 2

P1-4 has had a great start to Term 2: already learning lots and getting back into routines well. This term we will be focusing on subtraction, money, time, water for science, story writing, RRSA articles 19, 37, 30 and 22 and we will learn about the different religions of pupils in our class. We can't wait! And, it's the run up to Christmas - watch 😊

## Reading/Spelling/Seesaw

Don't forget that homework is set weekly and can be found on Seesaw. I am most impressed with those children who also upload their reading homework. Miss P loves to watch you learning at home!

## Toy Shop

This term, our role play area has been transformed into a Toy Shop. The children want to learn about money in Numeracy and they thought a toy shop would be a great idea! They love to play in it and pretend to buy things.

## Book Week Scotland (16-22 November)

During this week, we will look at lots of different books, characters etc. P1 and P3 are also going to receive their special book bags gifted by the Scottish Book Trust.

## RRSA - Silver

We would like to do a special shout out to Donovan and Poppy who did a fabulous job talking to the RRSA adviser about their learning the UNCR. They were clear, answered questions explicitly and seemed to enjoy the opportunity. Well done both.

## Art

We have been so creative recently and our artwork is looking tip-top!

## Halloween

Those celebrating Halloween, had a fantastic time at our spooktacular Halloween Party last Friday. Thank you to everyone for their contributions to this great event!
