Dear Parent/Carer,

We normally hold learner conferences in November in order for you and your child to discuss their progress and next steps with their class teacher. Safety guidance means that we can still not invite you into school.

To this end, we aim to offer learner conferences remotely during November. If you wish to have a learning discussion with Mrs Armstrong, please email Mrs Armstrong on gw09armstrongsarah@glow.sch.uk with your availability, and they will make arrangements with you.

Times available are:

Friday 12th November between 2:15pm and 5:15pm

Tuesday 16th November between 1:45pm and 6:15pm

As we have not been able to meet in person, Mrs Armstrong has updated your child's IEP, so this can also be discussed, hence a slightly longer than usual time slot for each child, up to 30 minutes. We will note your comments and can amend the IEP if necessary.

An update on your child's learning will be shared with you at the learner conferences, and then emailed out to parents. This will be a summary of your discussions at the conferences.

If you wish to discuss your child's progress with a member of the School Management Team or the Support for Learning team, this can also be requested via an email to the school office.

Thank you for your ongoing support,

Louisa Gamble, Headteacher.
