

Expressive Arts:

This term we will be making props for the P5 and P6 Christmas Show.

In Music we will be using the Charanga program and focusing on the song 'Happy'. Next term, we will be focusing on Christmas songs.

Health and Well-being:

Mrs Irvine-McLean, our P.E. specialist, will deliver P.E every Monday morning. We will also have P.E on Thursday with Mr McIlorum. Please ensure your child comes in appropriate P.E clothing on these days.

Through Health and Well-being, we will focus on substance misuse how this effects our body.

Religious and Moral Education:

This term the children will be learning about festivals linked to light as well as Christmas traditions.

Light and Christmas Enterprise

Important dates term 2-

- Monday 13th Nov- Curling
- Tuesday 14th Nov - HWB Day @DHS
- Wednesday 15th Aladdin Trip

Homework:

Homework will continue in the same pattern as last year. Pupils will receive challenges in line with their topic. If you would like any spelling, maths or reading support at home please contact us on gw17mcilorumgarth@dumgal.sch.uk gw10kearneyrebecca1@dumgal.sch.uk and we will be happy to provide this on a termly basis.

Literacy:

In literacy this term we will focus on description. We will work on describing characters, settings and developing these ideas to create imaginative stories. This will link to our class comprehension and grammar programmes.

We will work on presentation and spelling throughout all our literacy tasks.

Reading will take place in class through our various curricular areas. This term we will focus on the skills of summarising and inferencing.

Numeracy:

In Primary 7, we will be consolidating our learning of addition and subtraction and learning strategies for long multiplication and division. We will be applying our knowledge into everyday problems.

We will continue to develop our mental maths strategies in order to solve mental maths problems. We will continually practise our tables to help us with recall and problem solving activities.

This term our topic maths focus will be on Angles, Symmetry and Transformation.

Digital Literacy + ICT:

This term we will be developing our knowledge of coding using a range of different coding programs and toys. We will be continuing to work on our digital literacy by using our digital skills across the curriculum.
