

# Primary 6 Newsletter - Term Three

	MON	TUES	WED	THURS	FRI
<b>Class Teacher</b>	Mrs Taylor	Mrs Taylor	Mrs Taylor	Mrs Galligan	Mrs Taylor

## Literacy

We will be celebrating Burns Day with our annual poetry competition. Poems will be sent home for the children to learn soon.

In writing we will be looking at procedure and explanation.

We will be having discussions and debates about current climate issues and learning how to effectively communicate our point.

## Important Dates!

- iBike  
Monday 5th February
- Midterm break I  
12th - 14th February
- Topic assembly  
7th March

## Topic

### Planet Earth

Our focus this term is to look at different world landscapes, for P6 this will mainly be

The world's oceans.

Through our learning about oceans we will also learn about sustainability, abroad as well as at home. We will look at the life cycle of animals and plants, including the food chain.

## Numeracy & Maths

This term we will be starting with multiplication and division. We will then move onto fractions, decimals and percentages, multiples and primes. In maths we will be looking at money and measure, linking this into our topic as much as possible.

## Health & Wellbeing

This term in P.E. our focus is gymnastics. Please ensure hair is tied up and tape is supplied to cover earrings on a Tuesday and Friday.

We will be learning about food and nutrition and how to ensure we fuel our bodies correctly.

## ICT

We will be learning how to search and research information effectively online, ensuring we are using up to date sources and citing appropriately.

We will then use this information to make presentations

**T**ogether

**E**veryone

**A**chieves

**M**ore

## Homework

Homework this term includes practising your Burns poem at home.

We will also be setting a topic challenge based on different animals and habitats in due course.

If you would like any spelling, maths or reading support at home please contact via email.
