

Primary 1 Newsletter - Term 4

Health and Wellbeing

We will be learning about how to describe the parts of our bodies and what we need to do to stay healthy. We will learn about how our bodies change. We will discuss how we respect our own bodies as well as others.

We will be working on a variety of skills building up to Sports Day, such a teamwork, determination and fitness.

We will continue to develop our emotional literacy and describe how we are feeling. We will understand who to go to if we need help.

Welcome back to term 4 in P1. We hope you all had a lovely Easter break. We are looking forward to a busy term with lots of learning!

We look forward to providing lots of outdoor learning opportunities this term with the nice weather so please send your child in with appropriate clothing. Thank you!

Our Body / Current Events

Topic

We will continue to follow our Calendar of Events which include:

- World Earth Day
- World Ocean Day
- Eurovision
- UEFA Euro 2024
- Olympics

Dates for your Diary:

Family Conference: Tues 7th/Wed 8th May
Sports Day: Friday 17th May - Details to follow.

Class Assembly - Wednesday 5th June
Class Trip - Wednesday 12th June (Details to follow)

Literacy

We will be looking at non-fiction texts and using these to learn new things. We will also be retelling familiar stories in different ways.

In writing, we will be encouraging independence and ensuring our sentences begin with a capital letter and end with a full stop. We will also be developing our handwriting, ensuring we are starting each letter in the correct place.

We will continue to practise reading and writing the tricky words. Please encourage your child at home too!

Digital Learning

We will continue to use Purple Mash to develop our Digital Literacy. Pupils will develop a range of skills including displaying information, saving and retrieving information and safe use of equipment.

Maths:

We will investigate ordinal numbers and revisit prior learning in mental maths. We will learn how to tell o'clock and half past times on an analogue and digital clock.

Homework

We will continue to send homework on a Tuesday. This will be reading and possibly a Literacy or Numeracy task. We would also ask you to encourage your child to play Topmarks/SumDog regularly as this will help to improve their mental addition and subtraction skills.
