

## Celebrating Wider Achievements November 2024

Wider achievement is an essential part of a child's learning. It promotes skills for life and work as well as skills for learning. It helps each child to discover what their strengths and interests are, and supports each child to achieve their potential.

At Calside Primary School, we celebrate the wider achievements of all our pupils. We ask parents/Carers to share their children's achievements with us. We would be grateful if you could return the wider achievement slip below and return it to us by the end of November so that we can celebrate achievements before the Christmas holidays. Please refer to the wider achievement guide for ideas if you are not sure!
