

# Calside Nursery

I'd like to thank all your lovely children, parents and staff for making my first couple of weeks as your Nursery Manager such fun. I have very much appreciated the warm welcome from you all.

I will continue to be around in the mornings and at 3:00pm if you would like a chat, to say hello or to discuss anything. For more in depth conversations I am happy to make an appointment to suit your schedule.

Thank you all once again,

Miss Louise Tinman

Next term is a very busy term. Below are some dates for your diary. Hopefully this will help for organising your time to come along to our events.

\*If your child does not attend the day of the school photos, we will let you know what time this is expected

## Dates for your Diary

### April

### June

Wednesday 25th June Nursery Graduation. 4-5pm This is for parent /carers for children going to school only.

**Thursday 3rd July: Finished for the summer holidays**

We are aware most of our event days fall on a Wednesday. All our children are in on this day. Please do let us know if this does not suit you and we will consider this for the future events.

## Parental Support

- With the warmer weather coming in can you please make sure that your child brings a water bottle with them each day to nursery. To fall in line with our healthy eating policies we ask that this is **WATER ONLY**. If you feel your child cannot drink water please speak to a member of staff.
- If your child requires a toy from home for transition purposes please let a staff member know. Children get very upset when their toys from home get broken or played with without their permission.
- If your child is absent from nursery please send us a Dojo message detailing the reason. This helps us monitor illness.
- As the weather gets hotter please make sure that you apply suncream to your child. We will re-apply after lunchtime. If your child has sensitive skin please provide a bottle for nursery to keep.

**As always, we appreciate your continued cooperation in helping us to create a Nurturing, Healthy and fun place to play and learn.**
