Mrs Watson says About five years ago the Education Department introduced a Policy where schools below a role of 150 would be partnered with one other or another two schools, with one Head Teacher. This meant that there were plans to partner Cargenbridge with Shawhead and Holywood. Following recent discussions I can confirm that it has been decided to take Cargenbridge out of this partnership agreement, therefore, Cargenbridge will remain as it is and will not be part of a partnership. If anyone wishes to discuss this further please contact me.

A letter about P6 and P7 Health Talks is in the maildrop today.

Communication

To add to the range of ways we communicate with parents we are in the process of creating a **school Facebook page**. We will use this to share information with you, post links to our blog and celebrate our achievements. There will be a set of simple rules issued to parents to follow at all times in line with our D & G guidelines. There may at times be photos posted on this so we will check permission for this. Once we are ready to go live we will send you a link to this and information about a security question as this will be a closed group. Once the school's page goes live the current Parent Forum page will be closed, the aim is to close this on Friday 18th May.

We hope this new communication will enhance the good communication we already have in school.

We will still send the newsletter via email and on the blog too for those not on Facebook. Many thanks for your support.

Reminder ... Summer Fete on **Sat 23rd June** from 12 noon to 3pm

Donations required All donations of children's wellies would be gratefully received as the Geko Group would like to plant flowers in them to sell at the Summer Fete. Thank you.
