### Exciting News

..... Border TV have heard of Mrs C's fantastic achievement at securing funding to improve the top park in Cargenbridge, so they want to come and interview her and some pupils about this. They will therefore visit on **Thurs 20th Sept** and some children may be interviewed. If your child is to be interviewed we will notify you by group text and seek your permission. Well done Mrs C, a great opportunity to acknowledge all your hard work for the people of Cargenbridge.

### Newsletter

This is the last week that the Newsletter will be sent home in the maildrop. Please notify the office, if you haven't already done so, if you would like to receive the Newsletter via email. The newsletter is also published weekly on our school BLOG and will be accessed through our facebook.

### Football ASC

Please note there will be NO Football ASC next week due to Parents Open Evening.

### Netball

Congratulations to Eva, Emmie and Millie who have been selected for the Regional Primary Area Netball Squad. Well done.

### facebook

We have now created our very own facebook closed group for parents/carers and those with connections to the school such as childminders and grandparents. This will enhance the current forms of communication we use. Its aim is to inform, remind and celebrate!

It will be run by school staff and administered by them. In order to join this group please search for "Cargenbridge School (Official)" and request to join us. We do not expect it to be used for individual queries and concerns, so comments should only be added if you wish to "celebrate our work". Following our authority social media guidelines, this group should be used respectfully and appropriately and anyone placing inappropriate comments will be contacted by the school to discuss this further. Links will be placed on here to our school BLOG, where photos and posts will still be placed but photos may still be placed on this group too. We hope this additional form of communication will be beneficial to the school and to you the parent forum.

We look forward to using this new form of communication. Any feedback or queries about this should be directed to Mrs Watson and not on the facebook group.

### Maths Quiz

We had a successful maths/numeracy quiz on Thursday as part of "Maths Week". The children enjoyed the challenge!! Ask your child about it!

### Groupcall Xpressions App

In school we use Groupcall Messenger to send text messages and emails to your mobile phones, the school is charged for each text we send.

There is an App which is free of charge to download to your mobile phone or tablet and if you have children in different schools, you will be able to view messages on multiple children within the same app. These messages will be free to receive and the school will not be charged for sending messages via Groupcall Xpressions.

There is a letter in the maildrop about Groupcall Xpressions App today. If you already have this App, you do not need to do anything further.
