Dupont Challenge

The children have been busy working all week on their Dupont Challenge. Remember you can come along on **Wed 21st Nov @ 2.30pm** to see all their maths games.

TOPIC

The next topic which the Children will be learning will be around food, see learning postcard in the maildrop today. On **Fri 23rd Nov** all the Children will take part in a food day organised through RHET (Royal Highland Education Trust). They will participate in activities led by Aria (dairy), Quality Meat Scotland, RHET volunteers (cereals), RHET Edinburgh (fish) and RHET volunteers (foods from Scotland). This will be really practical and the children should really enjoy the day.

Huge thanks to Fiona Jamieson for organising this for us.

You will have noticed from our term dates that we are having a Farmers Market on the evening of **Thurs 13th Dec**. This is also to fit in with our food topic and being organised again through Fiona at RHET. There will be a variety of stalls, children will have some stalls too and the CPA will run refreshments. More information nearer the time.

Reminder CPA meeting on **Tues 20th Nov at 6pm**. All welcome.

School Improvement Plan

An electronic version of the School Improvement Plan feedback section can be found on the Facebook, Blog and emailed with the newsletter. Your feedback can be emailed or sent back to the school. Your views are important to us. Many thanks.

Learning Conversations

Thanks to all those who have returned Learning Conversation sheets and appointments. Appointment times will be sent out next week.

P6 & P7 WW1 Workshop

P6 and P7 enjoyed their afternoon at Dumfries Museum yesterday learning more about World War One. The weather was kind to them for their walk to and from the Museum! Thank you to Mrs McDowall for accompanying the children.

Christmas Cards

We have finally managed to source a Printer to do our Christmas cards. Please find a letter in the maildrop today for you to order some along with a black and white copy of your child's card. Apologies for the quick turnaround but obviously time is a little against us.

Homework Diary

We are finally nearing the stage where we will have our new homework diary ready. This has been slowed down due to capacity at the print unit. As this term is particularly busy we have decided to start our new homework diary in January so the interim measures in place in each class will continue until then. Our new weekly reflection booklets for P4-P7 will be started then too. When you come in to see your child's work in term 3 you will get a chance to see the reflection books. Thank you for your understanding and patience.

Well done to Jay McC, Joseph, Rose and Reilly for being chosen to lay our school wreath at the War Memorial yesterday. Fab reflections on their World War One learning. Well done to everyone, it was a hard decision.

Football ASC

Unfortunately the Football ASC will not be on for the foreseeable future due to the conditions in the Muga. We are currently in communication with the Council to rectify this.
