Mrs Watson says ..... Thanks to everyone who came along to see all the Maths games created for this year's Dupont Challenge. I am sure you will agree they all did a great job. Well done to Eva Mc, Eva L and Munro the "Marvellous Makers" team for winning the Overall Best Game with 'Coinopoly'. The judges had a really difficult decision and said they could all be winners. The judges commented on how confident the children were. Well done everyone.
