- Got a better idea of what level my child is on
- Very easy to address any problems and achievements
- Know how they are getting on and what next aims and targets are
- Good selection of work on display
- Teacher answered all of our questions

- Gave our daughter time to think about her progress before the meeting.
- Makes us aware what our child wants to discuss prior to the meeting
- Gives an idea of what needs to be spoken about within the time. It also gives the children an opportunity to express their opinion.
