Internet Safety Day

Internet Safety Day is coming up at the beginning of February. We are aware that many of the older children would maybe have received a mobile phone, tablet or laptop for Christmas. The children are maybe starting to use Instagram, Snapchat, even although the legal age is 13, please ensure you monitor how they use these and ensure parental locks are used as appropriate, as it is sometimes brought to our attention inappropriate use of these by our older pupils. More parent guidance information will be issued at Internet Safety Day.

P5/6 pupils this week started a block of singing with the "Feis Rois" project. Ask your child about it.
