 Mrs Watson says ..... Last Friday we hosted a visit from Education Scotland, Raise Team and Wood Foundation to chat about STEM. Before they left they told us: *"The confidence of your pupils to engage with visitors in an informed and articulate manner was wonderful to see and testimony of how empowered they are", "motivated and engaged learners", "engaging, hands-on learning experiences linked to local priorities", "loved hearing from all the learners about what they were doing, why and were aiming to learn", "Thank you for another fab visit to Cargenbridge. Super to see the great STEM learning and hear of the fantastic work, well done".*  
 Well done to Mrs Vivek and P4, Mrs Campbell and the Computer Club and our Digital Leaders for helping with this visit.

 Good luck.

### PARKING

Reminder about parking inside the school gates..... We are not able to accommodate lots of cars parking inside, as children use this area sometimes to exit the school playground, so we please ask, unless you have been given prior permission, to only park in the front car park. **Reminder** do not park in the 'Drop Off' zone. This area is **only** to be used for dropping off and collecting your child if they are waiting for you in the bay. Remember only those with a disabled badge should park in the disabled bays. Can you please remind all those extended family members and Childminders of this information.

Thank you for your continued support.
