### World Book Day

World Book Day is on **Thurs 7th March**. We aim to use this day to start off reading buddies. We have already some names of family members keen to read to/hear children read. If you know of anyone else who would be interested then please get in touch.

There will be a whole school competition on World Book Day where children have to take a photo of them reading with their family in an unusual place. We have done this before and have always been amazed at the imaginative places you have chosen to read books in. Prizes for the most imaginative reading place.

In the maildrop today each child has a World Book Day token which can be used between 28th Feb - 31st March at participating bookshops.
