I am pleased to inform you that at the Nithsdale Area Committee meeting yesterday, members agreed to the implementation of the Traffic Regulation Order 2019 as advertised for Cargenbridge. They will now proceed to the made Order stage (6 week advertising period), complete the detailed design and issue the scheme to Enterprising Services for implementation. All going well, they should be in a position to carry out the works and erect all the signage by the end of November 2019. Good news.
