CHILDREN IN NEED

Fri 15th November is Children In Need. This is a charity our Pupil Council decided to support. Annabelle and Jay O from the Pupil Council would like to tell you what will happen On Friday 15th November it is Children In Need and this year the theme is "together we can change your lives". We are celebrating the day by having a non uniform day and ask children to come to school in sports clothes as we will be working out with Joe Wicks.

Also we ask for a small donation.

We will also have spotty cupcakes on sale for 50p (made by P6/7). If you would like to donate some baking for our stall you can. There will be a game in the playground created by Islay where you have to pin the bandana on Pudsey.

Looking forward to a fun day !

P7 Leadership Skills

Following on from a block of work for P7 with Jacqui Byers, Active Schools on leadership skills, the P7 children will all lead a club for younger children either at playtime or lunchtime. Ask you child what they are planning to do. Jacqui will meet with them to discuss with them what they can do.

World Quality Day

This year World Quality Day is on **Fri 22nd Nov**. Today George came into school and spoke to the children about Dupont, what they make and how the polyester film is used to make packaging for food. This years challenge is in mixed age groups, the children have to plan, create and make a model of a 60th/10th anniversary celebration cake and make a cake box for it. They will need to set up a stall to sell this cake and advertise it. The overall best cake will hopefully be made and we can all sample it.
More information as we go along.
