Mrs Watson says.....At the end of this term we will say a sad farewell to Mrs

Lennox as she retires. She has worked here at Cargenbridge for 11 years and
before that for 22 years at Troqueer. Over the years she has provided meals
for many children. We will miss her great cooking and baking. I am sure you
will wish her well as she relaxes into retirement.

Children In Need

Well done to everyone for contributing to Children In Need. We are pleased to let you know we raised across the whole school an amazing total £271.00. Great effort by everyone.

Teachers Gifts

As the end of term is fast approaching, staff at school are always overwhelmed by your generosity and kindness. We ask that gifts are not given to staff, your kind words and thank you messages are always enough.

Ventilation

Just a reminder again that we have to follow national guidance to keep windows/doors open to ensure adequate ventilation in the school. Please ensure your child has a warm jumper/ sweatshirt with them each day. Can I confirm that while we have to do this the heating is still on and working as it normally would during the winter months. If you have any concerns about the ventilation then please contact the school through the usual channels. Thank you.

Read, Write and Count Bags This week P2 will bring home a Read, Write and Count Bag for you to use with them at home. This is part of the National Book Week Scotland initiative.

Thank you to all those who have returned their Reporting to Parents Sheet. You will receive our responses during the last week of term.

A huge well done to Mrs Vivek who at the end of last week found out that she had been nominated for an award by some parents through Kip McGrath. This is a fantastic recognition for all that Mrs Vivek does in relation to Nurture within the school. Well deserved Mrs Vivek and enjoy your prize!! Another well done to Mrs Boardman and Mrs Vivek who have recently gained their MSC in Enhanced Practice in Education. Well done to both ladies and this is all in their own time on top of their day to day

A teachers work is never done!!

World Quality Day/Dupont Challenge

This year's challenge is having to be done differently. There will be judging this year, but we will share with the staff from Dupont what we have been doing via Teams. As we are missing our partnership visits to Goldielea each class is going to create something for them to bring them a bit of Christmas cheer. P1/2 Making some games for the residents to play at their Christmas Party. P2/3 Making them Tree decorations. P4 will make them things for their Christmas dinner table eg place mats and name tags.

P5/6 Making Christmas cards and calendars for the residents.

P6/7 Christmas cards and art packs for the residents to make holly wreaths. This will be a really lovely thing for the children to do to so show Goldielea we are thinking of them.

P7 into S1 enrolments

P7 parents today will receive the paper work which needs to be completed for enrolling your child into S1 for next year. This needs to be returned to the office as soon as possible.

As we cannot have a Special Christmas Assembly each class will share with you all via facebook or email something festive to bring you some Christmas Cheer. We look forward to sharing this with you.

Christmas Cards

If your child wishes to bring a Christmas Card into school for a friend or a member of staff they can do so from Monday 7th

Dec. These cards will be placed in a post box and delivered by our posties when it is safe to do so. Make sure the name and class is put on the envelope.

Xmas Movie Day 14th December

All children can take part in this and come to school wearing their PJs and dressing gown. The CPA will provide the children with a goodie bag to eat during their film. The children will watch their film in their own class. There will be a cost of £1 to take part in this.

School Photos

As per the text and letter, the school photographer will be in school on Monday for individual and family photographs. Remember all orders need to be done online.

Achievement Assembly

On Monday we are going to hold a Teams Wider Achievement Assembly, where children from each class can share a special achievement with the whole school. Any achievements from clubs or out of school can be shared. We are not sure how many clubs are running at the moment but the children love to share these achievements with other children. The children cannot bring anything in from home for this unfortunately.
