Mrs Watson says.....

There are lots of resources out there to help parents at this time. Please find the link to some of these

<https://www.parentclub.scot/>

<https://parentzone.org.uk/>

Next Tuesday 2nd February there will be a review of the schools situation and we will keep you posted after this. A reminder that there is a week's holiday coming up for pupils week beginning 15th February.

We have had some lovely live sessions this week. Some lovely stories read and catch ups happening. It has been lovely to see the children interacting with their teachers and we shouldn't underestimate how much our children need to see their teachers and friends to touch base.

This week's quote "Sometimes" said the boy " I feel I haven't achieved anything"

"You have been a friend" said the horse "which is a magnificent thing" We all need each other at this time. Please let us know if there is anything we can do or even if you just fancy a chat.

Home Learning

Normally on a Friday afternoon each Class would have Golden Time. Where, if they had kept all their Golden Time of 30 minutes they would have the chance to choose and spend time with their friends doing something they enjoy. We are suggesting that as we know you and your children are working so hard we know you will have kept all your time. So we suggest a Friday afternoon is Golden Time where your child can choose something they enjoy. We would love to see some photos of what they have done. Post them on teams or email them to the teacher.

Celebration of Learning and Successes

Remember we love to see what your children have been up to. Please post some photos on facebook, get your child to put them on teams or email them to your child's teacher. If emailing them to the teacher can you please let us know if it is only for the teacher or if it can be shared with others.

We look forward to seeing your photos.

P3 and P4

We look forward to seeing the children from P3 and P4 on teams on Monday 1st Feb at 10am for a live catch up. The children will receive a link to this in their emails today or this can be found on the calendar on teams. If they RSVP then we know who is joining us. The teachers will be on stand by in the morning to help with any technical issues.

Live Team Catch Ups

P5/6 will meet again on Wed 3rd Feb at 10am and P6/7 Fri 5th Feb at 10am.

See you all then.

Mental Health Week

Next week is Children's Mental Health Week and this year this is even more important to us all. There will be a learning grid based around this for next week.

Resources

We are aware during lockdown the last time we issued everyone with a jotter and some pencils etc. This time we were not able to do this. If anyone needs any jotters, paper or pencils etc please contact the school office and we can arrange for you to pick things up from the school.

Family Learning from Engage

The Lifelong Learning Team are launching a couple of new projects and resources to help supplement home learning for families. They are introducing all D&G Families to their -NEW FAMILY CHALLENGE PROGRAMME. They are launching a Family Learning programme for the WHOLE family to get involved in. See the leaflet which goes along with the newsletter for more information.

Special Achievements

Well done to all those who took part in the Sumdog Challenge. In total across D and G 2,664 pupils answered 629,934 questions. P6/7 were 45th overall, with 296 points. P4 were 67th with 265 points, P5/6 were 62nd with 270 points, P2/3 were 169th with 110 points and P1/2 were 156th with 142 points. Well done to you all.

A special well done to Riley in P5/6 who has raised around £2,300 for Maggie's Centre by running 50 miles in January, what a great achievement. Well done Riley. Mrs C has been doing this also to support Riley and ran her last mile last night with Riley at Dock Park. Well done Mrs C. You are all stars.
