Mrs Watson says.....

We have some lovely news to share with you. Mrs Vivek is expecting a baby. Isn't this wonderful news and we are pleased that she is keeping well. She will start her maternity leave at the end of this school year. I am sure you will all send her your congratulations and wish her well.

Return to school of P4-7

I am sure you are all aware that this week it was announced that P4-7 will return to school on Monday 15th March. We will be delighted to welcome them back to school. We will issue guidance for their return based on local and national guidance as soon as we can. In the meantime remote learning and the childcare hub will continue for one more week. If there is anything you wish to discuss before your child returns to school then please either get in touch with the class teacher or Mrs Watson. Please look out for further information on their return next week.

Live Teams Chats

Next week there will be live teams sessions for
P4 on Monday 8th March at 10am
P5/6 Wed 10th March at 10am
P6/7 Fri 12th March at 10am.

This will be the last live sessions as they will be back in school the following week.

We love to see the children at this time, so please try to encourage your child to join us. Well done to Hannah, Jay O and Callum for great quizzes this week.

Name a new refuse Collection Vehicle Competition

As part of the launch of the new Waste and Recycling Service an invitation has been extended to learners to enter a competition to name a new bin lorry (Refuse Collection Vehicle(RCV) or scaffy wagon... or freighter!). A number of new RCV's will be introduced across the region, in every geographical area. The new RCVs will be bright yellow.

Who can enter:

The competition is open to all Early Learning & Childcare Setting and Primary & Secondary School age learners in Dumfries and Galloway.

How to enter:

Entries should be submitted via a secure online form - giving the learner's name, school, stage and suggested vehicle name. For those at home this might need to be supported by parents.

Poster with additional information and links to the online form will be emailed to you with the newsletter.

Suggested names should have a positive recycling/waste theme and/or a local reference.

Closing date for entries is Friday 19th March

World Book Day

This week we have been doing some activities in school about World Book Day...

- Mrs Watson read the whole school via teams some of her favourite books
 - Book Mark competition
- Making book characters out of potatoes
- Guess which book the teachers are reading
 - Lots of other fun things

We hope this has shown the children the importance of reading and how enjoyable it is.

Red Nose Day 19th March

This year's theme is "Funny is Power". We have all needed laughter and fun over the last month as we have found things challenging. I am sure we will have lots of fun on this day in school. Another part of the theme is super heroes and we have all been that too over the last few weeks. So your child can come to school dressed as a super hero. If they wish they can donate money to Comic Relief. Please don't buy anything especially for this day, you can create your own super heroes costumes or lots of you may have one at home. Should be a fun day!
