Mrs Watson says.....

Monday 17th May is a significant date for us all as we move to Level 2 restrictions. This is a major step towards coming out of lockdown. However, our health and safety measures in school will remain in place to ensure the safety of all pupils and staff and to ensure we are doing everything we can to reduce transmission if we had a positive case in school. These measures will be relaxed only when we feel it is safe to do so and you will be notified of any such changes.

Dates for your diary...

Sports Day 28th May and the back up date is **4th June**. This will be run differently this year and unfortunately no parents can attend. We will let you know as soon as we know the arrangements.

We are also in the early days of planning our P7 Leavers Celebrations too. Again more information when we have it.

Pupil Progress Reports P1-7 - these will be issued to parents on **Friday 18th June**.

Mental Health Week

This week has been Mental Health Week and some of the classes have done some work associated with this. We all know how important our mental health is to us, even more so at this time and the work we do around this in school is so important.

Health Talks

Emailed today is a letter for P5-P7 parents about forthcoming Health Talks. This letter gives a bit more information about the types of things which will be covered in these.

I Bike Sessions

If you still have not returned the permission slip about your child participating in these forthcoming bike sessions and they wish to participate please do so as soon as you can. This will be a great fun opportunity for the children.

CPA Meeting

Due to the recent restrictions and lockdowns we have not had a recent Parent Council Meeting. For those on the committee there will be one on **Thurs 27th May at 6pm** via Skype. All those on the committee will be sent an invite via email. All parents are welcome so if you wish to attend and be sent an invite please notify Fiona Martin.

Outdoor Assemblies

As the weather is improving (ha ha) we have started to hold our assemblies outside. Classes all sit apart to keep everyone safe. This week it was lovely having Rev John back with us. The kids always love having him in school. He will join us again another couple of times before the end of term.

School Uniform

Please remember to order any "Cargenbridge School Uniform" you may require for next school session ASAP to ensure you get your order in time. This can be done by either requesting an order form from the school office and returning directly by post to "School Trends" with payment (cheque made payable to School Trends Ltd) or online at <https://www.schooltrends.co.uk/>

Items purchased can be delivered to your home address or the school address, unfortunately there is a delivery charge of £3.99 regardless of which address you choose to use. (Free delivery if order over £75.00).

All new P1's will receive a tie, water bottle and homework bag from the school.
