Mrs Watson says.....

We did have a lovely day today, with the children wearing yellow for Marie Curie and Ukraine. The children used this day as a day of reflection for the work of these two charities. Thank you to everyone for supporting these charities. It was lovely to have an outside assembly again today and all the yellow clothes shone in the sun.

Covid Regulations

You should all have received a letter from Professor Jason Leitch, National Clinical Director this week. This states how Covid measures in schools are changing after the Easter holidays. We are still waiting to receive local guidance related to this and I will share this with you before the end of term as there will be some changes when we return after the holidays.

As another quick term comes to an end can I thank everyone for all their continued support and positivity. It has been a challenging term with a high number of Covid cases across the school. We hope you all have a lovely Easter holiday and the weather is kind to us so we can enjoy our local area with friends and family. This is the last newsletter before the holidays. The school finishes on Friday 1st April and re opens again on Tuesday 19th April.

Your views

It is time again to review our Vision Values and Aims and Curriculum Rationale. Please can you find time to complete the short questionnaire. Thank you to the parents who have managed to complete this. We now have 11 responses, which is great. We are also doing a similar thing in the classes with the children. Click on the link below to take you to this.

Many thanks.

Next Tuesday P4/5 will take part in a workshop on Equality and Stereotypes and P6 and P7 on Challenging Homophobic language. This is part of some work we have been doing on diversity and equality. The children should find this interesting. Staff will also take part in a training session too.

P7 Homework

Just a reminder that P7 pupils should be accessing their weekly home work on their teams group.

Sickness/Upset Stomach Bug

We still have a few children off school with a sickness bug. Just a reminder that children should stay off school for 48 hours after the last time they have been sick etc. We are pleased that Covid cases are very low. We still need to be very cautious though moving into the last week of term as numbers across D and G are still very high.

Well done to Kacie and Kyla for being awarded a Sunshine Award by Morrisons for volunteering with their mum for the past 8 years for Marie Curie. What a great achievement. Well done girls, keep up the good work.

Pupil Progress Report

Today your child should have brought home their pupil progress report. There is a section for you to complete and return to the school. If this can be done before the end of term that would be great. There is also information showing you what the different sections on the front of the report mean.

Cross Country

On Wednesday, 31 children from P4 - P7 took part in a Cross Country Festival. The weather was definitely on our side and it was a glorious morning. It was so nice to be back on a bus and out of school again. It has been such a long time! The children enjoyed it and challenged themselves running such a long distance.

A huge well done to everyone.

The following children won medals:-

P4/5 girls: 3rd place Rosie

Overall winners of the P4/5 girls section - Rosie, Calla and Hannah

P6 boys: 2nd place Riley

P6 girls: 1st place Lucy

2nd place in P6/7 girls school section - Lucy, Miren and Ailsa

2nd place in P6/7 boys section - Riley, Blair and Munro
Special Achievements Hannah and Amy

Next week the children will take part in a treasure hunt and decorating an Easter egg (paper copy). Prizes for these are being kindly donated by the CPA. Thank you for this.

P1/2 and P2/3 will have a visit from a farmer on Tuesday of next week and this has been organised through RHET. The children should enjoy this.

Happy
Easter
