### **Mrs Watson says.....**

#### **Covid Updates**

Please continue to be vigilant and follow the most recent guidance. Cases are still high in the community. Pleased to say there are very few cases we know of in school. Recent guidance for children is that they should stay off school for 3 days, with day one being the day after the positive test. They should avoid contact with others during this time, particularly other children. All close contacts of your child should be notified. If no test has been done to confirm whether it is Covid or not and they have a temperature and are unwell they should stay off school until temperature is normal and they feel better.

### **P7 Leavers Trip**

On Tuesday, P7 had a fab trip to Fusion trampoline park in Carlisle. Everyone had a great time and enjoyed themselves. A special thank you to the CPA for paying for the entrance to this. A lovely leaving gift for them.

### **Mabie Farm Park Trip**

Thank you for all the slips returned and any last minute information will be sent out next week for this trip. Children have to meet us at Mabie at 9am and be picked up at 3pm. Packed lunches can be ordered from school or a packed lunch brought from home.

If you wish a packed lunch from school please email the office. Fingers crossed the weather is kind to us, whatever the weather we will have a fab day. All those who need transport will be contacted next week. Remember dress appropriately for the weather, but a coat must be brought as we will be outside for most of the day. Also sun cream applied and taken too!

### **Guid Nychburris Football Tournament**

A huge well done to all the boys who represented the school at the Guid Nychburris Football tournament this week. So close to getting into the semi finals. You played so well and represented the school perfectly. Thanks to all the coaches for supporting them and taking them and to all parents who supported on the day and helped transport them. Well done!

### **Top Grass out of school time**

Out of school time the top grass is open to allow the children of Cargenbridge to play on it. It is great that the children can use it. When on the grass there should be no access to the other parts of the school, for example jumping the fence to get access to the Nursery garden. Also please ensure that no litter is dropped and the grass is left as it was found. No dogs are allowed on this grass either. Many thanks for your support.

### **Healthy Eating Week**

Next week is Healthy Eating Week, so we encourage everyone to bring a healthy snack in next week.  
Many Thanks

### **Cargenbridge Has Got Talent**

Heats for this took place on Wednesday. If your child was chosen to go into the Final, they will receive a letter and parents are invited to this. We look forward to the final on Friday 17th June. Huge well done to everyone who entered. What a hard decision it was. We have very talented children.

### **Physical Activity Survey**

P4-7 pupils have been asked to complete this. Parents should have received a letter about this. If you do not wish your child to take part you should have let us know by today. The information from this survey will be shared with us anonymously so we can use this to take this area forward.

### **School Meals**

You should have received a letter telling you how to register for online payment and ordering of school meals. This new system will go live on **Monday 13th June**. Mrs Rogerson will still go around the class each morning and check everyone has ordered a lunch.

### **Open Evening**

It was so lovely to see you all last night at Open Evening and so nice to see you all back in the school. We hope you found it informative and enjoyable. For many of you this was your first time in school, the start of many I am sure.

### **Next Year Staffing**

Apologies, still no update on staffing and classes for next year as we are still waiting on confirmation of all staffing for next year. Classes will be shared with you as soon as we can.

### **Term Dates (these will be kept at the bottom of the newsletter, any new dates will be added in red)**
