Mrs Watson says....

We hope you all had a lovely Easter holiday? The children look well rested and are raring to go for our final term of the year. We look forward to a busy and fun last term. Below are some term dates but there are some dates still to be agreed. These will be shared as soon as we have them. I will continue to keep these dates in the newsletters and add any new ones in red when they arise. We are planning some celebrations as part of the King's Coronation. More info to come about this. There will be a special buffet lunch for this on Friday 5th May.

Car Park—Important Reminder - We have had new intakes in Nursery which has increased the amount of cars in the car park so it is important that everyone follows the following procedures
The car park is very busy at the start and end of the day so please follow these rules.

- Please remember that the drop off zone should only be used to drop off and pick up if your child is waiting for you. It is not another parking spot and cars should definitely not be parking with their car facing towards Waterside Rd.
- Also a small amount of cars larger can park through the gates in front of the MUGA. This is the only place to park through the gates as this is a pedestrian area and staff car park. If others park along the fence then others will follow suit. If cars park there they will be asked to move.
 - Remember there is a roundabout in the middle of the car park so cars should not park on this.
- If you park on Waterside Road please do not park on the painted lines as this blocks the view of those leaving the car park.
 - Only disabled badge owners should park in the disabled bays.
 - If you want to use the back gate there is alternative parking at Woodley Court
- All these procedures are in place to keep everyone safe! Please ensure all those other members of your family who drop off and pick up are aware of these procedures. Thank you.

Summer Term

As the summer term progresses we hope that the weather improves. A reminder that sun cream should be applied before coming to school. If necessary a hat should be brought too. We are in Scotland though so a light weight waterproof coat is always handy to be brought too!

Breakfast Club

This will continue after the holidays. We know parents use this to allow them to get to work earlier but children who attend must have breakfast. The club is very kindly run by our kitchen staff who come into work earlier to do this. They offered to do this despite the numbers not being as high as they should. They are therefore not able to supervise children who are not eating. Please ensure if your child attends that they have breakfast.

Thank you.

Goldielea Visit Tuesday 25th April

The next group of children will go along on Tuesday and take part in baking with the residents. Thanks to those who helped transport again.

World of Work Week

This will take place during week beginning 1st May. Thank you to the 5 parents so far who have offered to come in and talk to the children. We would love some more parents to come along so we have a range of talks for our pupils. If you would like to come in then please contact the school. Mrs Watson might pounce on some parents in the playground to coax some more!!

Lockerbie Manor

Payment cards for Lockerbie Manor have been issued today and can be used from now on to pay the deposit and any other payments. The deposit of £50 has to be paid to school by 19th May

School Improvement Plan

It's that time again when we have to review our current School Improvement Plan and develop our new one for next year. Part of this is to get feedback from you. Here is a link to a short feedback form if you would please find time to complete this for us by **Tues 2nd May**. Your views are important to us. As an extra incentive all those who complete this for us will be entered into a lucky dip and there will be a prize for the name chosen.
