Mrs Watson says...

Thanks to the following parents who kindly came into school this week as part of World of Work Week. A huge thanks to Mrs McClung, Mr Currie, Mr Russell, Mr Devlin and Mrs Hunt for giving up time in their busy lives to talk to the children. The children found this week really interesting and hopefully have been inspired for the future. The children are going to share their learning with the other classes at assembly.

Car Park—Important Reminder - We have had new intakes in Nursery which has increased the amount of cars in the car park so it is important that everyone follows the following procedures

The car park is very busy at the start and end of the day so please follow these rules.

- Please remember that the drop off zone should only be used to drop off and pick up if your child is waiting for you. It is not another parking spot and cars should definitely not be parking with their car facing towards Waterside Rd.
- Also a small amount of cars larger can park through the gates in front of the MUGA. This is the only place to park through the gates as this is a pedestrian area and staff car park. If others park along the fence then others will follow suit. If cars park there they will be asked to move.
 - Remember there is a roundabout in the middle of the car park so cars should not park on this.
- If you park on Waterside Road please do not park on the painted lines as this blocks the view of those leaving the car park.
 - Only disabled badge owners should park in the disabled bays.
 - If you want to use the back gate there is alternative parking at Woodley Court
- All these procedures are in place to keep everyone safe! Please ensure all those other members of your family who drop off and pick up are aware of these procedures. Thank you.

Top Grass

Just to remind everyone the top grass can be used out of school hours by the community. **No golf or dogs are allowed though. Dogs should not be walked on this grass.** All litter should be taken home too. Please pass this around others who may use this grass. Thanks

Feedback Form

Thank you to all those who completed our feedback form. We will announce the winner of the lucky draw next week. This information received will help us move forward with school improvement. Next week Mrs Watson will also meet with groups of children to discuss school improvement with them. The school improvement plan will be shared with you when it is completed.

Classes for next year

Now that P1 places have been confirmed we can now start to look at classes for next year. Just to confirm we are staying at 5 classes next year. Information for our new P1 pupils will start to be communicated, starting with buddies information and transition dates.

With a heavy heart we would like to let you know Mrs Campbell is moving on after the summer holidays. We are really pleased to let you know that she has been appointed principal teacher at Kirkbean Primary school. This is a very well deserved promotion for Mrs Campbell but sad for us as she is such a valued member of staff here. She will be greatly missed. She will be with us until the end of this term.

Congratulations and Well Done

Well done to Yusra for being a winner in our "If I was an Engineer Competition" and to Rowan for also being given highly commended. Both will attend an event next week at Prestwick Airport. A great achievement girls. A photo was also put on facebook last week of all those who were given distinction shortlisted. Well done!

Those in the **Sprint Relay Competition for P6/7** on 17th May will receive a letter soon about this. Sorry for the last minute letter. You will know next week who is going to represent the school.

Sports Day P1-7 (18th May)

Hopefully the weather will be kind to us. Come along at 12.30pm and bring your picnic for a family picnic on the top grass. Bring along your chair/rug. Sports starts as soon after 1.15pm as possible.

P2/3 assembly date - Save the Date

Parents and Carers are invited along to P2/3 assembly on Wed 14th June at 2pm. P3/4 assembly date will be shared soon.
