Mrs Watson says....

Communication between home and school is vital. We are still waiting to hear about a replacement for class do-jo. We use text messaging as a way to keep in touch with you. This has a cost to the school. Some of you use the Groupcall Xpressions App. This has no cost to the school so we would like to encourage everyone to download this and use this to receive messages from us. If you need more information about downloading this see the attachment to this newsletter.

Thank you to all those who came along to our Open Evening last night. We hope you found it useful.

Mrs C's donation to the school

We are pleased to inform you that Mrs C raised £1280 for the school. What a tremendous amount and thank you to everyone who donated. £280 has been given to the Nursery to spend accordingly and the £1000 has been divided amongst each class. Each class has been given £180 to spend on resources for FUN 31. The children along with their teachers will choose what they would like. Also £100 will be given to Ms Gorard and the Learning Assistants to spend. The children will love spending this and we are looking forward to seeing them have fun with these new resources. Thanks again Mrs C!!

Harvest Bags/Harvest Drive

Please see in the mail drop a letter about donating items for our harvest bags and Foodbank. Please also nominate local people in the Community to receive one of our Harvest Bags.

Term dates - apologies some of the dates were written into term dates wrong. They were marked as October instead of September!

P2 and P3 Team GamesAfter School Club

The club for P2 and P3 children starts on Monday 25th. Everyone who has a place has been notified of this. The children will enjoy this. Children should be collected at 4pm from the front door.

Congratulations to our Junior Road Safety Officers Farrah and Zane for being chosen. We look forward to working with you.

Our Pupil Council has also been chosen. Our members are Matthew, Beth, Bethan, Noah, Marcus, Jenna, Pippa, Maisie and Ava. We look forward to working with you too.

Mobile Phones

Just a reminder that children should not bring mobile phones into school unless your child really needs them after school. If this is the case please remind your child that they should not be on these in the playground before 9am and they must hand these over to the teacher for safe keeping until the end of the day.

Industrial Action

As advised today the school and nursery will be closed to pupils on 26th, 27th and 28th September due to Industrial Action. We apologise for any inconvenience this may cause to you. Teachers are still issuing homework for next week which can be done during this time and there will be some other ideas of activities issued on Monday which your child can do if they wish.

CPA AGM

We hope to see you all on Monday 25th at the AGM. Come along and find out what has been happening this year and help plan how we move forward.

P7 Information

P7 should receive a letter today in the maildrop about ordering leavers hoodies. We are organising this earlier this year so that the children can wear them longer. Please return the form as soon as you can.

They will also receive a letter about Operation Safety on the 11th October. This is always a fun day for them.

Wider Achievement Assembly

On Monday 25th September we will have our first Wider Achievement Assembly of the year. This is when children can share with the school at our assembly any out of school achievements they have, such as certificates for after school clubs, trophies or medals won or moving up a level in swimming for example. Medals, trophies and certificates can be brought into school on Monday to show.
