Mrs Watson says....

What a successful trip it has been at Lockerbie Manor. The children have loved every minute of it and learned lots of new skills and had a fab time. It is always nice to see the children in a different environment. Thank you to Mrs Boardman, Miss Marchbank and Mrs Garside for accompanying the children and to all the parents and family members who helped transport all the children and provided the children with some great snacks. We are sure you will all have a quiet weekend as the children will be exhausted. We hope you all manage to get all the mud out of the clothes.

World Book Day

Look out for info about our forthcoming World Book Day Celebrations on 7th March.

Swimming

Well done to all the P4 pupils who have recently completed their swimming block at DG One. Everyone has done so well and improved greatly. A huge thank you to Mrs P, Mrs G and Rose Anne for taking them along.

P7 Careers Talk

We are pleased that we are able to hold our P7s Careers Project again with Dupont (new name Mylar Speciality Films). Staff from the site will come in and talk to the children about their jobs and then the children will choose 2 of these to shadow at the site on the 12th March. This is a great opportunity for the children and we are pleased that Dupont can work with us again.

D and G Canine Rescue Centre

On 6th March we are holding a non uniform day to raise some money for our local Canine Defence League. All donations for this worthwhile local charity will be greatly received. On this day we will have a Dog theme day. The children will take part in activities related to dogs. The children should come dressed to school in non uniform and can wear clothes with a dog theme if they wish or paint their face with a dog theme. We are having a visit from the Canine Defence league and a furry little friend will join them. We know we have a lot of dog lovers in the school so it should be a fun day.

Well done to Hannah in P7 who last weekend took part in the Burns Festival. She did very well up against stiff competition. We hope Hannah you continue your love of reciting and Burns at Secondary school.

Also good luck to Alaina, Rosie and Calla next week as they enter the Schools Gymnastics Competition. They have been practising hard so we know they will do well.

Walk To School Week

This week is Walk to School Week and our JRSOs have been finding out how each class has been coming to school. I wonder who will win the famous silver and gold trainers? Thanks to Zane and Farrah for this. There is also a competition to design a JRSO mascot. Good luck if you are entering.

REMINDERS

Absences

Remember if your child is off school please notify the school to let us know as soon as you can.
Thank you

Nursery Drop Off

All Nursery parents should drop their children off at Nursery via the playground door unless the playground gates are locked. If the gates are locked then drop off via the main front door. Please pass this information on to all other members of your family who drop off. Thank you

Reminder that cars should not park on the yellow lines at the school entrance as this blocks the view when leaving the car park. Thank you.

Term Time Holidays

You are all aware that term time holidays cannot be authorised by the school. Just a reminder if you are taking your child out of school for a term time holiday then please always send an email to either the class teacher or the school office to inform us so that the correct paper work can be actioned. Thank you.

Mobile Phones

Just a reminder that children should not be bringing mobile phones into school. The only exception is if anyone needs it for after school. If this is the case then it should always be handed into the teacher to keep safe until the end of the day. Thank you.

School Uniform

A reminder that on non PE days the children should wear school uniform. Thank you.

Breakfast Club

Just a reminder that breakfast club does not start until 8.15. There is no supervision for children prior to this time. Many Thanks
