Mrs Watson says....

Primary 3/4 and P4/5/6 have been working with Feis Rois this year on traditional music. In order to showcase what they have been doing, parents and family members of these classes are invited into school on **7th May at 1.30pm** to find out what they have been learning. The children have thoroughly enjoyed this and we look forward to seeing you then.

We look forward to seeing parents and family members on **Mon 29th April at 2.15pm** at the P6/7 Assembly when they will share some of their learning with you.

PE dates

Just to confirm PE days for this term. On these days the children should come to school dressed for PE.

All children have PE on Fridays with Mrs Law. There is one exception they will have PE from Mrs Law on **Tues 7th May instead of **Fri 10th May****

Each class also has another PE day
P1 & P2/3 Tuesdays

P3/4 Mondays

P4/5/6 & P6/7 Wednesdays

All other days the children should wear school uniform.

No football/sports team colours should be worn as part of the PE clothes

Mobile Phones

Just a reminder that children should not be bringing mobile phones into school. The only exception is if anyone needs it for after school. If this is the case then it should always be handed into the teacher to keep safe until the end of the day. Thank you.

World of Work Week

Thank you to the following parents who came in and spoke to the classes about their work last week. The children found it really interesting and fun.

Sarah Gemmell, Johrene Jowett, Tanya Russell and James Devlin

After School Clubs

Today we have issued some forms to you via email about forthcoming After School Clubs.

P1 Multi Sports

P4-5 Badminton

P5-7 and P1-4 football. Form for P1-4 will be sent out later

All these clubs are straight after school. Some might be on a first come first served basis so please complete the form straight away and send it back to Active Schools to avoid disappointment.

Gardening After School Club

Mrs Mahon has kindly offered to run a Gardening After School Club this term. A form for you to complete if you wish your child to participate in this has been sent to you via email.

Lockdown Procedures

In school we regularly practice fire drills and lockdowns. This is to ensure the children and staff know what to do in an emergency. Just to let you know we practiced our lockdown today, just in case your child talks about it at home tonight.

Parent Information Session

Attached to this newsletter is a leaflet about a forthcoming information session or parents about autism and social communication difficulties. This is being organised by Lorraine Harris from the Autism Outreach Service and is being run for parents of this school only. It will be held on **Wed 15th May from 12.30-2.30 at the Bridge**. This will be really helpful to anyone who requires more information about this. There are only 12 places available so if you would like to attend please notify us. Unfortunately children are not able to go along. Anyone who wishes more information about this please contact Mrs Watson.

Breakfast Club

Just a reminder that Breakfast Club does not start until 8.15am. Every child who comes along should have breakfast at the club. The reason we can run a breakfast club is that the kitchen staff provide breakfast. We have no other supervision for others who are not having breakfast. So children can only attend this if they are having breakfast. Many Thanks

Absences

Remember if your child is off school please notify the school to let us know as soon as you can.

Term Time Holidays

You are all aware that term time holidays cannot be authorised by the school. Just a reminder if you are taking your child out of school for a term time holiday then please always send an email to either the class teacher or the school office to inform us so that the correct paper work can be actioned. Thank you.
