Information About Special Books / Pupil Learning Plans (PLPs)

As you know, your child's special book is stored in the Nursery entrance area. The books are available for parents to access at any time. If you would like to take your child's book home for an evening, which is convenient for you, please ask a member of staff. We would ask that you sign your child's book out in our "Special Book Log Out/In Book" and sign it back in when you return it the next day. We would ask that books only go home for one night at a time because we are regularly updating their contents.

Please also note that books have parent pages. This provides an opportunity to write down important milestones in your child's development, which you would like to make special note of.

The content of the books also includes:

- Narrative observations: skills which are evident in these are cross referenced (by date) to a cross curricular skills sheet.
- Focused observations: these are briefer notes which are written on sticky notes and added to a separate sheet.
 - Photos of your child at play as he/she develops skills within the four capacities of Curriculum For Excellence (Confident Individuals;
 - Effective Contributors; Successful Learners; and Responsible
- Citizens)
