

# Nursery Newsletter: 15<sup>th</sup> May 2013

## Parents' Evenings

Please write your child's name next to a time on the appointment sheets for your key worker (Mrs Carson, Mrs McLatchie or Mrs Dickson) if you would like a consultation appointment at parents' evening. Parents' evening is on Monday 27<sup>th</sup> May from 3.43pm. Please write your appointment time in before Friday 17<sup>th</sup> May. Mrs Mackenzie will also be available to speak to parents on Parents' evening. If you need an alternative appointment time, please speak to Mrs Mackenzie.

## Nursery Walk

On Tuesday 21<sup>st</sup> May, the children will be taking part in the sponsored walk around the park. Please ensure that children have appropriate footwear, e.g. trainers and a waterproof coat to wear. If you are able to help on the walk, please speak to a member of staff.

## Car Park

Please ensure that children do not ride their bikes or scooters within the car park area or on the slope from the main school playground when children are coming to Nursery or leaving Nursery. Please ensure that children do not swing from the hand rail next to the Nursery door. Thank you for your assistance with this.

## Nursery Planning

The children are currently learning about butterflies and the life cycle of a butterfly. The children will be watching live butterflies grow. Following this, the children are going to be growing things and studying a wider 'Nature' topic. They will be particularly focusing on music about nature and recreating some simple art work based on the work of artists. We think it will be a really exciting and unusual topic for the children. If you have any ideas or suggestions please let us know.

## Parents' Talking Board

We have a new question on the talking board. Please take a look and write a comment. Thank you!
