

Dates for the Diary

I just want to get the dates of these two events home as soon as possible; as I know that some work type tweaking may be needed.

Friday 28th April: 12.15pm – 1pm(ish) **Talk Lunch**

Join us for a buffet lunch and some table top activities.

The activities will encourage discussion to help us evaluate the school and make decisions about our equity funding. They will involve shuffling and organising cards, adding comments, marking sliding scales.

Please join us for lunch so that we can gather as many different viewpoints and ideas as possible!

We will text out after the Easter Holidays to get numbers for the buffet!

Friday 26th May: 1.30pm – 3.30pm(ish) **FAMILY FUN FRIDAY**

Yes, through discussion with the pupils we have decided to try a wee gala type afternoon on a Friday.

We will be having the usual tombola and afternoon teas but we will be asking the pupils to take a greater role in the planning, organising and running of games, stalls and events. This will form part of their curricular learning – enterprise skills and financial education.

We may even make it a competition to see which group can raise the most funds with their stall or activity!

Please get family members, neighbours, community members and friends to keep the date and to drop by for a cuppa and some fun! With their pocket money!!

More info and persuasive posters to follow!!

Thank you,

P.Dale
