

# Hollywood News Update

**October 2014**

## **Parent Council Questionnaire Update**

Unfortunately, only 6 parents responded to the recent parent council questionnaire.

This was an excellent opportunity to put forward your views and to comment on the work of the parent council.

Improvement can only be made if parents make clear their viewpoints, concerns and question current practice. The Parent Council would be grateful for any additional questionnaires.

His support to the school has been very much appreciated.

We are delighted that parents have offered to carry on the job for us.

BalEco are writing to thank Mr Wells for his time and efforts.
