A chance to come into school and meet or catch up with the class teacher. We hope our P1-4 parents will stop by to meet Miss Baxter our new teacher.

Please note this is an informal meeting - curricular workshops (e.g phonics / homework) will take place later in the term.

P6 Curling - P6 will be out curling with Mrs Henderson on the 12th September - more details will follow very soon.

Advance Warning!! : We plan to take our P6 and P7 pupils to Loch Ken in May or June 2012. Last time the trip cost parents around £100 per pupil and the Parent Council paid for the bus. We want to give plenty of time to save up!!

Sponsored Walk: Our Parent Council want to get off to a fundraising flying start and are planning to organise a sponsored walk around the Hollywood countryside. More details to follow soon.

Science: after the success of our trip to the Glasgow Science centre our pupils asked if we could make science our theme for this term. Staff will be getting together on Wednesday to plan a whole school project on aspects of science in line with Curriculum for Excellence Experiences and Outcomes. Look out for your Context Planner coming home to let you know what we will be investigating.
