Unwanted Visitors — Head lice

There are a few cases of Head lice in school at the moment. This is only the third time in five years we have had head lice reported at Hollywood.

We have e-mailed everyone the council advice on dealing with head lice on Monday. Please read.

It is important that **EVERYONE** in the family gets checked out as soon as possible.

It can be incredibly frustrating if your child catches head lice more than once and you are doing the checks - **PLEASE** check daily and keep us informed. It can be a very time consuming process but your efforts are needed if we are to be head lice free.

Any pupil with shoulder length hair should have it tied up in school—this applies to boys as well as girls.

The tank has arrived and the fish eggs should be in school later this week.

Please feel free to stop in and see the set up for yourself.

Ukulele - lessons have started on a Monday afternoon for P5 - 7 pupils

In the past the school has ordered ukuleles for pupils to purchase—this process has been long and unsatisfactory. Ukuleles can be purchased from the music shop in town and from reliable vendors online.

A tuner to clip on the end of your ukulele is a great purchase for pocket money as ukuleles go out of tune very quickly.

Bake Club for P4-7

Letters home in today's mail bag.

P.E. - As term one - please see updated school calendar.

Senior pupils will undertake 2/ 3 weeks of indoor fitness before moving outside for cross country running training ahead of this year's competition. Information to follow about warm kit.
