

HOLYWOOD NEWSLETTER

DECEMBER 2015

Please Note:

Interim reports will now be issued a week later. Reports will be in Mail Bags or posted out on Thursday 17th December 2015.

TECHNOLOGY THROUGH TIME

Pupils and staff are loving the Tech through Time IDL (interdisciplinary learning...topic!).

The school is filling up with tech from bygone decades. Stop by and have a look or get up the loft and drag out your old tech—we would be excited to see it.

Who will win Elf or The Grinch?

Join us for the Parent Council Christmas Movie Night tonight and see who has taken victory in the battle of the Christmas Movies!

School Handbook

We are currently updating the school handbook for next session. If you have read the handbook and think that information is missing or inaccurate can you get in touch. It is a document to inform parents about the working of the school and we would like it to be as useful as possible!

A copy of the Handbook can be found on the blog!

SNOW!

Pupils are hoping that we may soon get snow.

Pupils are outside on snow days and are allowed to bring their sledges to school.

Please note we also have school sledges and we are all very good at sharing!

Warm and waterproof clothing will be needed!

Costumes for the Show

There is a note about costumes in the Mail Bags (03/12/15).

Old pyjama bottoms are the item most wanted. Please check your list and send costume items into school in a poly bag with your child's name on it.

Can you help with sewing?

We need some help to sew waistcoats and harem pants.

If you can roll a turban please get in touch!!

Mornings would be best. Please get in touch if you have some time to help.

Can't sew? Volunteer a relative!!

Jumpers and Jackets

All pupils should now be layering up. We have a few senior pupils who think it is still Summer.

Please ensure your child has a jumper/fleece/cardigan to put on.

Willow Den

Geoff Forrest will be in school on Friday, 4th December at 10AM to trim back the willow den.

We need help - Dress warmly, cake provided!

Please get in touch, Geoff is an excellent teacher and brings all the tools needed.
