February 2020

Hello this is Hollywood's news agents speaking to you about interesting news that happens in Hollywood!

Business Groups

On a Friday we hold business groups—pupils take charge of leading improvement across the school.

What groups do we have?

Helping Others Charity Group: Charlie, Cleo and Carson are looking at local charities for us to support. They have plans for a Wildlife Event to improve the way we look after our garden wildlife.

Fundraising Group: plan events and raise money for other groups. If we have spare money we get to choose what to spend it on to improve our school for the pupils.

News Agents: We are putting you in the know about the latest news at Hollywood.
